

# Senator Tom Umberg

REPRESENTING SENATE DISTRICT 34

June 2024 Newsletter

## A Note from Senator Tom Umberg:

With May now behind us, we've passed one of several key legislative deadlines this year, the House of Origin deadline. My team in Sacramento has been working tirelessly to ensure we continue to foster innovation and growth for our state. My district team continues their outreach in the community to hear directly from you and our office's 5th biannual upcoming **Health and Resources Fair on June 22nd at Loara High School, in partnership with Anaheim Councilmember Carlos Leon.** I'm looking forward to seeing you soon!

## LEGISLATIVE UPDATE

This month, we continued to see a number of our bills pass out of the Senate before the House of Origin deadline. This deadline requires all bills to make it out of the house in which they're introduced, and can often see several high-profile bills fail. One of our bills that made it through, SB 910, focused on treatment courts. This bill would apply a best practices standard to California's collaborative and treatment courts, ensuring quality care for Californians who opt-in to these programs. Together, we can and should work to keep people out of our jails and prisons. I'm proud to share that I have 18 bills are still being considered, and if you would like to follow SB 910 or any of my other bills, please visit: <https://sd34.senate.ca.gov/legislation>.

BEWELL OC BEAM SIGNING

Last month, I took part in BeWell OC's Beam Signing event to help celebrate the progress on the latest BeWell campus serving our district. In speaking with staff and seeing the work BeWell has done in Orange, I know this campus will provide high-quality and efficient care to those who need it most.

SWSD END OF THE YEAR EMPLOYEE RECOGNITION

Team Umberg was in South Whittier to congratulate those honored at the South Whittier School District End-of-the-Year Employee Recognition. These outstanding employees, teachers, and administrators help make our children's education the top-tier quality SWSD is known for. Congratulations to everyone!

NHBWA SCHOLARSHIP AWARDS

My team joined the national Hispanic Business Women Association at their annual scholarship awards. We had the pleasure of celebrating the 9 scholarship recipients and swearing in the new Association President, Santa Ana's own Ana Laura Padilla. Congratulations to these amazing women in our district!

# DISTRICT ACTIVITY SNAPSHOT

23

EVENTS

438

RECOGNITION

19

CASEWORK

The SD34 team has been out and about in big ways! In May, we attended 23 events, recognized 438 individuals for their outstanding work, and helped 19 constituents with issues they were having with state departments and agencies.

## MAY HIGHLIGHT:

### Dino Quest Opening

*After several years of planning and construction, it was fun to be a part of the Discovery Cube of Orange County's ribbon cutting for their latest addition, Dino Quest!*

This new experience features fun for the whole family, from dig pits to scannable features that help educate our community about the creatures that once roamed the earth. My team and I were very impressed by the work CEO Joe Adams and Board Chairman Rick Baily have pioneered with this fantastic new learning opportunity. I'm proud to have been a long-time supporter of the Discovery Cube. It was great to see such a strong community turnout for the ribbon-cutting ceremony. If judging solely by the reactions of the children who attended the event, I think Dino Quest will stand the test of time. Congratulations to all the board members, contractors, donors, and advocates who made this exhibit possible. I'll have to come back soon with my grandkids so they, too, can enjoy this experience 20 years in the making!

## UPCOMING EVENTS

### 06/19 - Buena Park Juneteenth Celebration

Boisseranc Park  
7520 Dale St.  
Buena Park, CA 90620  
**6:00 PM - 9:00 PM**

*The City of Buena Park will be hosting their inaugural Juneteenth Celebration on Wednesday, June 19 at Boisseranc Park. The event will feature a guest speaker, live performances, food, resource booths, and a concert by Biscuits & Gravy Live.*

### 06/22 - Health and Resources Fair

Loara High School  
1765 W. Cerritos Ave.  
Anaheim, CA 92804  
**10:00 AM - 2:00 PM**

*My office will be hosting our biannual Health and Resources Fair in partnership with Anaheim Councilmember Carlos Leon. Attendees will have the opportunity to receive general health screenings, dental screenings, food boxes, mammograms, and asthma screenings for kids from some of Orange County's best non-profits, orgs, and agencies!*
